Re: Freedom of Information Act Request No. EPA-HQ-2015-004072 – Eleventh Set of EPA's Responsive Documents

Dear Mr. Gustafson:

This letter concerns the above-referenced Freedom of Information Act (FOIA) request, received by the U.S. Environmental Protection Agency on February 9, 2015, and revised by you on April 2, 2015.

Pursuant to the Court's January 13, 2016 Order, EPA has reviewed the Confidential Business Information (CBI) documents that are responsive records. For this production, EPA is producing an additional 150 records in full or in part which EPA determined were not entitled to confidential treatment.

Twelve documents contained confidential business information that was inadvertently released to you in EPA's prior productions. Attached are the corrected redactions. At this time, we are requesting you return/destroy the previously released documents.<sup>1</sup>

This concludes EPA's production of records in response to your FOIA request.

If you have any questions, please contact John Truong or Brian Field, Assistant United States Attorney.

Sincerely,

A handwritten signature in blue ink, appearing to read "K. Sargeant", is written over a horizontal line.
